Introduction

This document details National Grid's planned procurement dates for the provision of electricity distribution flexibility services and the formal engagement National Grid will conduct to support its procurement activities.

About Our Procurement Activities

National Grid facilitates its procurement activity through its online portal, [Market Gateway](#). Flexibility Service Providers (FSPs) seeking an award to deliver flexibility services should register on the Market Gateway and complete the pre-qualification requirements to enable their eligibility to enter into flexibility Trades. Pre-qualification is always open and can be completed at any time. Further Guidance on this process is available [here](#).

About Our Engagement Activities

In addition to our formal engagement activities, we are happy to engage with interested parties at any time, please email nged.flexiblepower@nationalgrid.co.uk. Where registration for engagement activities are TBC, we will update this document and our [events page](#) as early as possible after these are known.

Timetable Modifications

We reserve the right to amend, add or remove procurement and engagement activities at any time and will update this document accordingly and periodically when required.
