1.0 Document Purpose

1.1 Preamble

This document details National Grid Distribution System Operator planned procurement dates for the provision of electricity distribution flexibility services and the formal engagement National Grid DSO will conduct to support its procurement activities.

1.2 About Our Procurement Activities

National Grid DSO facilitates its procurement activity through its online portal, [Market Gateway](#). Flexibility Service Providers (FSPs) seeking to deliver flexibility services should register on the Market Gateway and complete the pre-qualification requirements to enable their eligibility to enter into flexibility Trades. Pre-qualification is always open and can be completed at any time. Further Guidance can be found on the National Grid DSO [website](#).

1.3 About Our Engagement Activities

In addition to our formal engagement activities, we are happy to engage with interested parties at any time, please email nged.flexiblepower@nationalgrid.co.uk. Where registration for engagement activities are TBC, we will update this document and the National Grid DSO [website](#) as early as possible after these are known.

1.4 Modifications

We reserve the right to amend, add or remove procurement and engagement activities at any time and will update this document accordingly and periodically when required.
